

RIVERVIEW MUSIC DISTRICT: Fuller Supper Club

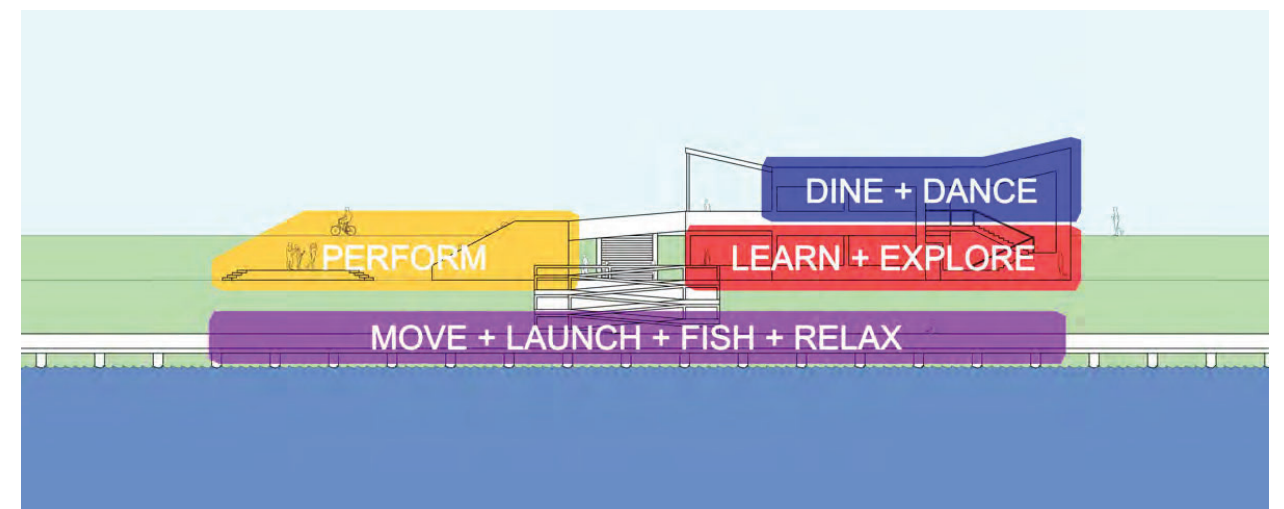

Cyrus Beasley, Faustyn Pavicich, Greg Wheeler, Jasmine Morrow, Lauren Burton, Phil Timmons

PROJECT FEATURES

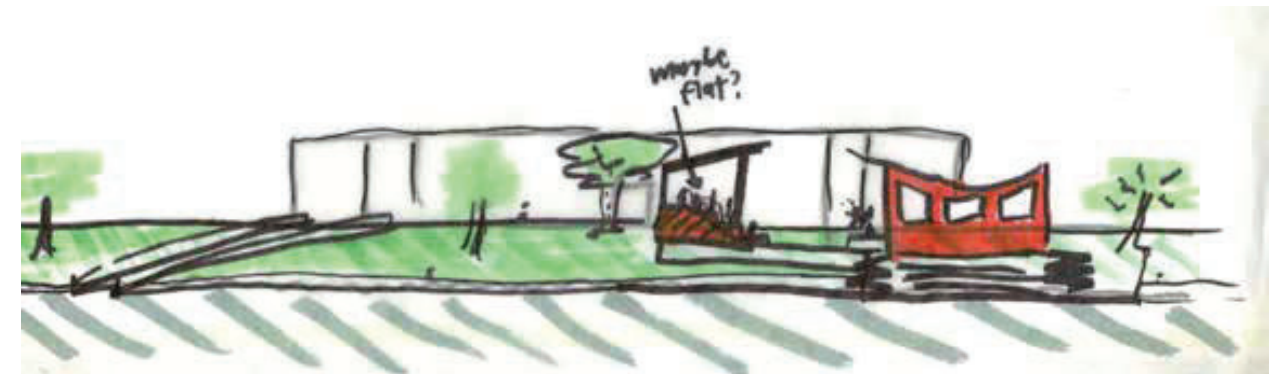

As a part of the revitalized park, a Community Music Venue and Supper Club will provide a place for up and coming musicians to perform in an auditorium, at an outdoor performance space, and in a restaurant. In memory of the Riverfront Supper Club that is part of the North Minneapolis collective legacy the community center will house a restaurant overlooking the river where music can be performed. An overlook tower will be a tourist site for seeing the Mississippi River and downtown Minneapolis.
